WAIT UNTIL THERE'S AN ACTUAL NAME

by

Max Li

A Master's Thesis

Submitted to the Faculty

of the

WORCESTER POLYTECHNIC INSTITUTE

In partial fulfillment of the requirements for the

Degree of Master of Science

in

Electrical and Computer Engineering

May 2018/Dec 2018s

APPROVED:

_____

Professor Alex Wyglinski, WPI ECE, Advisor

_____

Committee Member #1

_____

Committee Member #2

Contents

List of Figures

List of Tables

Acronyms

A table of acronyms used in this report. Update with acronyms when used.

Chapter 1

Introduction

Here is where an introduction of some sort would be, talking about all the work I haven't done yet.

Chapter 2

Background

Here is where I will talk about the lit review I haven't fully completed yet.

Chapter 3

Methods

Here is where I will discuss what I actually did, once I do it.

Chapter 4

Results

Here is where I will talk about what I have accomplished.

Chapter 5

Conclusion

Here is where I will summarize what I have done, and update what future steps are.

Chapter 6

Appendix

Here are the appendices go.

Chapter 7
